TRAVEL, LOGISTICS & ACCOMMODATION

Visas

New Zealand has a special policy for athletes, coaches, administrators, officials and support staff visiting the country to participate in sporting events. Please check with NZ Immigration to find out if visitors from your country require a visitor visa to enter New Zealand. Information and application forms for visitor visas are available on www.immigration.govt.nz or from New Zealand and Australian Consulates, Embassies or High commissions.

Liability & Insurance

All athletes, officials and members of the National Associations who attend and participate in the event shall do so at their own risk. Winter Games NZ, sponsors and suppliers, their agents, employees and volunteers shall not be responsible for any losses or injuries incurred or suffered by the athletes, official or other person in conjunction with the organising or staging of the event. Public Liability Insurance (CHF) 3 million, for the period of the event, is in place.

If you are injured in New Zealand (including whilst competing in a competition), you may need the assistance of the Accident Compensation Corporation (ACC), New Zealand's accident compensation scheme. ACC helps pay for your care – and that means paying towards the cost of your treatment and helping your recovery while you remain in New Zealand. ACC will not cover any medical or related costs arising from the accident after you leave New Zealand. You will accordingly still need to arrange your own travel and medical insurance. New Zealand's medical facilities are not free to visitors except as a result of an accident but even in the case of an accident, surcharges in private facilities will apply.

Air travel

We recommend that you book your flights as early as possible and fly into Queenstown or Christchurch depending on your travel plans. Air New Zealand, Jetstar, Qantas and Virgin Australia are the only airlines flying directly into Queenstown. However many others come into Auckland, Wellington and Christchurch.

Car/Van Transport

We highly recommend that teams organise their own transport to ensure full control over movement to and from the resort. There are a number of rental companies close to the Queenstown International Airport that have a range of car and van options to suit everyone's budget.

Ezi Car Rental www.ezicarrental.co.nz

GO Rentals www.gorentals.co.nz

Accommodation

For all accommodation enquiries please contact Jane Todd on jane@wintergamesnz.kiwi. We strongly recommend the teams identify and book their own accommodation.

Rental Houses or Apartments

It's possible to rent houses or apartments on short or long term basis in all townships. Most teams book houses as it is the most available and cost effective option. Most of the houses would be a minimum rental of 5-7 days.
